

# Introducing Vanguard Sweden - expanding the worlds largest LCL network

The worlds largest end-to-end LCL network has just got bigger with new operations and office established in Sweden

## The True End-to-End LCL Network for Sweden

After more than 15 years as the premier LCL brand in the region we have established our own presence in the region and fully integrate Sweden into the Vanguard Network.

As the world's largest end-to-end own operated network, Vanguard Sweden now offers single vendor reach, visibility and operations on a global scale. Powered by our own USA IPI Network, global CFS footprint and gateway programs in Asia and the USA.

Visibility delivered by global SOPs and technology, log on to [VanguardAdesso.com](http://VanguardAdesso.com) for full access to door-to-door pricing, booking and shipment management.

Trust Vanguard to take care of your cargo end to end experience the control and confidence of working seamlessly with the foremost experts in LCL shipping.
